Product description

From Skagen series with class-leading low energy consumption and sound levels!

A safe choice of wine cabinet that delivers big on both design and functionality. Creates a beautiful and seamless integration with black glass front and integrated door handle. Upgraded shelving system that allows the model to accommodate champagne bottles in addition to all other standard bottles, so you are no longer limited to Bordeaux-sized bottles.

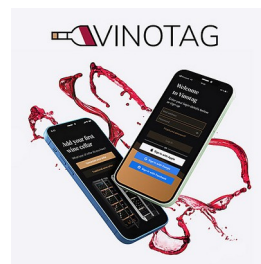

Integrated handle

The handle integrated in the door provides a clean and aesthetic appearance.

Removable plinth

Removable ventilation base for integrating behind the kitchen's plinth.

Vinotag compatible

View and manage your wine collection on the go with the Vinotag-application.

Presentation shelf

Extra visibility for your favourite bottles in your collection.
