Product description

Sommelier by Temptech - Professional grade storage conditions

Wine cabinet designed for optimal conditions and an improved wine experience. Equipped with pull-out wooden shelves with black details, a black glass front, interior LED lighting and a digital display with touch panel for easy adjustment of both temperature and lighting. With an even and stable temperature, the right humidity and minimal vibrations, you can be sure you are storing your wine collection in the best possible way!

Touch panel & digital display

Easy and intuitive control of temperature and lighting.

Improved efficiency

New and improved energy efficiency with lower sound levels.

Vinotag compatible

View and manage your wine collection on the go with the Vinotag-application.
